

Name: _____ Date: _____ Hour: _____

Student Created Survey

Students will create a survey containing 3-5 questions. Each question should relate to the “main focus” of the survey. Example: Election of 2008, all questions on that survey should relate to the election in 2008. Each student should survey 5-10 classmates. Students will decide if they are to use informal or scientific polling. This assignment is worth 20 points.

“Main Focus” of Research –
